

P. Ann Everson Price Bio

She is an Actress, Entertainer, Motivational Speaker, Radio/TV Personality, Funeral Celebrant, Ordained Minister and Personal Vocal Coach. She's a wife and mother to 3 grown children and Nanna to 7 beautiful grands.

I formed the All-Star Band after returning from living and working overseas. (1997) I have toured nationally, performed off-broadway, and co-starred in musicals with Peabo Bryson. I have also produced shows here in the states and also in Yokahoma, and Nagoya, Japan.

The All-Star Band is a premier show band. Not just another Band . . . but exciting entertainers that keep the party happening ALL NIGHT LONG!!

We have provided quality entertainment for The American Heart Association, Cystic Fibrosis, and the American Cancer Society. I have served as Emcee and produced dance music for grand openings, award shows, charity galas and birthday parties for local celebrities and corporate executives alike. Our performance history includes: Jeff Ruby's Carlo and Johnnys, The Precinc, Jags Steak and Seafood and other fine dining establishments (locally).

We've had the pleasure of entertaining throughout the region for Wounded Warriors, plush private parties, Country Clubs, Belterra, Miami Valley Gaming, Hollywood Casino & Resorts, and other corporate fund raisers for over 16 years.

We were honored to be the entertainment of choice (along with Anita Baker) for Detroit Piston's: Tyshawn Prince's "Platinum" wedding reception in Detroit, Michigan.

Collectively we have shared the stage with some of the biggest names in the industry: Midnight Star, Peabo Bryson, Patti Labelle, Pointer Sisters, Anita Baker, and Ann Nesby just to name a few.

I think you will be pleased with our players and our ability to provide the best in "Live" entertainment.

The All-Star Band can perform a variety of music including; Jazz, R & B, Motown, standards and Top 40. **The All-Star Band is also known for our reliability, professionalism, and personal service. With a professional sound system, stage lighting and self-contained DJ, the music never stops.**
